AMENDMENT TO THE CLAIMS

Kindly cancel claims 11-18 (all pending claims).

Kindly add the following new claims:

- 19. (new): A sports viewing assembly comprising, in combination: a head support for holding said assembly on a person's head; a binocular assembly attached to said head support, said binocular assembly allowing viewing an event from a distance; a radio attached to said head support; at least one earphone coupled to said radio; a camera optically coupled to said binocular assembly.
- 20. (new): The sports viewing assembly of claim 19 wherein said camera is removable.
- 21. (new): The sports viewing assembly of claim 19 further comprising earmuffs.
- 22. (new): The sports viewing assembly of claim 21 wherein said earmuffs contain at least one earphone.

- 23. (new): The sports viewing assembly of claim 19 further comprising a laser pointer.
- 24. (new): The sports viewing assembly of claim 19 further comprising a rangefinder.
- 25. (new): The sports viewing assembly of claim 19 wherein said radio is a satellite radio.
- 26. (new): The sports viewing assembly of claim 19 wherein said radio is a scanner.
- 27. (new): The sports viewing assembly of claim 19 further comprising a visor.
- 28. (new): The sports viewing assembly of claim 19 further comprising a lens cover for said binocular assembly.
- 29. (new): A sports viewing apparatus comprising, in combination: an adjustable head support; at least one telescopic device coupled to said head support; a radio attached to said head support; earphones attached to said

head support, said earphones coupled to said radio, a camera optically coupled to said telescopic device.

- 30. (new): The sports viewing apparatus of claim 29 wherein said radio is removable.
- 31. (new): The sports viewing apparatus of claim 29 wherein said earphones are removable.
- 32. (new): The sports viewing apparatus of claim 29 further comprising removable earmuffs.
- 33. (new): The sports viewing apparatus of claim 29 further comprising a microphone removably attached to said head support.
- 34. (new): The sports viewing apparatus of claim 29 further comprising a laser pointer.
- 35. (new): The sports viewing apparatus of claim 29 further comprising a rangefinder.

- 36. (new): The sports viewing apparatus of claim 29 further comprising image stabilization.
- 37. (new): An apparatus for viewing events comprising:
 - a means for holding said apparatus on a human head;
 - a telescopic means for telescopically viewing said events;
 - a receiving means for receiving a radio signal and producing an audio output signal;
 - a transducer means for producing sound from said audio output signal;
 - a camera means for recording images coupled to said telescopic means;

whereby, when said apparatus is worn by said human, distant events can be conveniently observed while listening to the sound related to said radio signal.

- 38. (new): The apparatus of claim 37 further comprising photographic means cooperating with said telescopic means for recording images of said events.
- 39. (new): The apparatus of claim 37 further comprising ear protection means for protecting said human's ears from cold weather.
